ELETech

EXPERT LEADING ELECTRICALS

EXPERT LEADING ELECTRICALS.

ABOUT ELETECH

With over 15 years of experience, Eletech is a leading provider of advanced electrical solutions, delivering high-quality products that power industrial growth across the Middle East and beyond. We specialize in energy distribution, control systems, and sustainable technologies, helping industries operate efficiently, safely, and reliably.

OUR VISION

To drive the future of industrial energy solutions, enabling smarter, more efficient operations across the Middle East and beyond.

OUR MISSION

To deliver innovative and sustainable electrical and automation solutions tailored to the unique needs of industrial and renewable energy sectors. We are committed to enhancing operational efficiency, ensuring safety, and empowering industries to achieve long-term growth and resilience.

OUR STRATEGY

Focusing on delivering reliable and sustainable electrical solutions by investing in innovation, maintaining the highest quality standards, and expanding our presence across the Middle East and beyond. We aim to support industrial growth through advanced technologies and trusted partnerships.

OUR SERVICES & PRODUCTS

At ELETECH, we specialize in providing advanced electrical and automation solutions tailored for industrial sectors and renewable energy projects. With years of experience and a commitment to quality, we deliver reliable, efficient, and sustainable systems that meet the evolving demands of modern industries.

Partnered for Excellence

With a proven history of successful projects and enduring partnerships, ELETECH provides reliable solutions that meet industry standards. We offer products from top brands including Siemens and ABB, and are the official distributor of Raad.

POWER DISTRIBUTION PANELS

Custom-designed panels for efficient and reliable power management in industrial facilities.

INDUSTRIAL AUTOMATION SYSTEMS

Comprehensive automation solutions to enhance productivity, streamline operations, and reduce costs.

SOLAR POWER SYSTEMS

End-to-end solutions for solar power generation, including design, installation, and maintenance.

ENERGY MANAGEMENT SOLUTIONS

Smart energy systems that help reduce energy consumption and improve sustainability.

WHO WE ARE?

ELETECH is a trusted name in the electrical industry, backed by over 15 years of experience and a strong commitment to quality. We provide advanced electrical and automation solutions designed for industrial applications and renewable energy projects, combining technical expertise with reliable products to support complex, high-demand environments.

- PROVEN INDUSTRY EXPERTISE
- TAILORED SOLUTIONS FOR EVERY NEED
- COMMITMENT TO QUALITY & INNOVATION
- GLOBAL STANDARDS, LOCAL SUPPORT
- TRUSTED BY WORLD-CLASS BRANDS
- END-TO-END PROJECT MANAGEMENT

OUR CREATIVE TEAM

Proudly diverse, highly skilled, and globally united; the Eletech team is ready to deliver.

Global Expertise
Professionals from different countries with unique skill sets.

Technical Expertise
Smart solutions driven by deep industry knowledge.

Creative Precision
Balancing bold ideas with flawless execution.

Future-Ready Execution
Scalable, efficient systems built to last.

OUR PARTNERS

We believe in the power of collaboration. Our partnerships with leading global brands and technology providers enable us to deliver cutting-edge solutions and services to clients across the oil, gas, cement, electricity, and construction sectors. These strong alliances keep us at the forefront of innovation and ensure the highest standards of quality and reliability.

TIERS OF TRUST

At **ELETECH**, our reputation for excellence, innovation, and reliability has earned us the trust of some of the world's leading brands. Our partners choose to collaborate with us because of our unwavering commitment to quality, technical expertise, and our ability to deliver complex projects with precision.
